

INTERNATIONAL PROFESSIONAL DOCTORATE & POSTGRADUATE SYMPOSIUM 2021

25 SEPTEMBER 2021
8AM - 5PM

In bridging the gap between academia and industry, UTM School of Graduate Studies (SPS) and Post Graduate Student Society (PGSS) invite academics, practitioners and students to share ideas and present findings from industry-driven research that contribute to impactful solutions to the industrial challenges and enhance the industrial performance. iPDOCs'21 aims to highlight the impacts of industry-driven research and professional doctorate in developing professional practices, outcomes and achievements in industrial workplaces.

The conference will provide an avenue to highlight recent developments and to identify emerging and future areas of growth in these exciting fields. All extended abstracts (after peer review process) will be published in the conference proceeding. Selected papers will be published in indexed journals (EXTRA FEES REQUIRED). Submissions are solicited on a wide variety of topics related to Engineering, Social Science and Science and Technology, but not limited to:

Engineering:

- 1) Engineering Mechanics and Control System
- 2) Material Sciences and Engineering
- 3) Energy and Thermofluid Engineering
- 4) Manufacturing and Industrial Engineering
- 5) Aerospace and Avionics Engineering
- 6) Electrical Engineering and Telecommunication
- 7) Computer Engineering
- 8) Occupational Safety and Health

Social Sciences:

- 1) Sociological Concepts and Practices
- 2) Science, Technology and Innovation Policy
- 3) Entrepreneurship and Leadership
- 4) Social Sciences and Modern Trends
- 5) Economic and Social Development
- 6) Arts and Design
- 7) Environment Management
- 8) Asian Languages and Cultures
- 9) Education and Language
- 10) Psychology and Counseling
- 11) Law and Social Justice
- 12) Education and Learning Technologies

Science and Technology

- 1) Artificial Intelligence, Machine Learning
- 2) Software Engineering
- 3) e-Business, e-government and e-healthcare
- 4) Internet of Things
- 5) Information System
- 6) Cloud Computing
- 7) Natural Language Processing
- 8) Pattern Recognition
- 9) Signal Processing
- 10) Data Mining and Analysis

All presentations will be evaluated by a panel of judges. Awards will be given to the top three best papers in each of the three tracks (Engineering, Science & Technology and Social Sciences). Selected papers will be published in selected indexed journals. Only the papers presented in the conference will be considered for the selected indexed publication. List of journals will be updated soon.

CALL FOR ABSTRACT

EMBRACING AGILITY AND RESILIENCE THROUGH HUMANITIES AND TECHNOLOGY

Important dates:

Call for abstract: 1 April 2021
Abstract submission: 30 June 2021
Notification of abstract acceptance: 5 July 2021
Full paper submission: 15 August 2021
Camera ready full paper submission: 13 September 2021
Conference date: 25 September 2021

Submit your abstract here
<https://www.utm.my/ipdocs2021/>

Conference Fees (excluding Journal Publication fee):

RM350 for UTM participants
RM400 for non UTM participants
USD 100 for international participants
